***Parent/Guardian Covenant***

I enter into covenant with my Lord, my child, the counselors, the camp staff, the other campers and the other parents for the purpose of creating a Christian community while my child is at camp. As part of that covenant, I will:

- Send my child willingly and prayerfully, and encourage my child to complete the full camp experience.
- Talk with my child about proper behavior while at camp.
- Assume responsibility for willful damage done by my child, either to camp property or to the property of others.
- Send with my child only those items listed as appropriate to bring to camp.
- Come to camp and take my child home if called, when, in the opinion of the Director or other Senior Camp Staff, the camper is either unwilling or unable to fulfill their covenant, as evidenced by their continuing disruption of the camping experience of others.

Activity Permission Form**

Camp Name: \_\_\_\_\_ Camp Dates: \_\_\_\_\_

***Activity Permission Form***

I understand and certify that my child's participation in Camp Asbury or Camp Findley and their activities is completely voluntary and I have familiarized myself with the camp's program and activities in which my child will be participating.

I recognize that certain hazards and dangers are inherent in any activities, and that this includes activities at Camp Asbury and at Camp Findley. These activities include, but are not limited to: archery, swimming, canoeing, sailing, kayaking, and low ropes, and I acknowledge that although Camp Asbury and Camp Findley have taken safety measures to minimize the risk of injury to camp participants, they cannot insure nor guarantee that the participants, equipment, premises, and/or activities will be free of hazards, accidents, and/or injuries.

I understand that the horses used at Camp Findley are rented from reputable businesses and that the horses are selected by the owners for their calm disposition and sound basic training, also that this Camp follows a rigid risk reduction program. Yet no horse is a completely safe horse. Any horse can, at any moment revert from its training and act on its natural instincts. These could include, but are not limited to, bucking, shying, rearing, biting, and/or bolting. Horseback riding is classified as a "rugged adventure sport activity," and there are numerous obvious and non-obvious risks always present in such an activity despite all the safety precautions. My participation in the activity may expose me to some of the following situations plus others too numerous to list: rough, slippery or wet terrain; public or private roadways; other riders, walkers or bikers; motorized and non-motorized vehicles; trees; brush; hillsides; domestic and wild animals; and sudden weather changes.

I further recognize and have instructed my child in the importance of knowing and abiding by the camp's rules, regulations, and procedures for the safety of camp participants.
