The 2008 Western New York Annual Conference approved a resolution which said in part

Be it therefore resolved that

1. The terms of service for all members of ministry teams, agencies or committees shall be extended to June 30, 2012 or until new ministry teams, conferences agencies or committees have been formulated and elected by the new Annual Conference.
2. This extension of service shall be contingent upon the consent of the individuals affected
3. The Covenant Council is empowered to fill any and all vacancies on conference ministry teams, agencies, or committees that occur between sessions of the Annual Conference.
4. That the application of these actions shall be subject to any and all specifications or limitations of *The Book of Discipline*.
